Sensei Nick's Words of Wisdom

Thanksgiving is a day to give thanks. We have so much more than the Pilgrims have and I think we forget to be thankful.

For the entire month of November I want all of you to be thankful for what you have. Everyday be thankful for your parents, your house, your cars, toys and whatever else you are happy to have. Then I want you to remember all the people who don't have these things and remember how lucky you are! OSU!

Belt Promotions

Congratulations to everyone who promoted last month.

Promotion Days

November 28th & November 29th

Make sure you are up to date with your classes and **Responsibility Lists!** Work hard at the dojo and home to earn your belts and stripes.

Notices

As you know the Dojo will be changing this month. Not to worry we will still be able to accommodate all of our students. The mat size will stay the same, only the shape will change. We know that change is hard, but in the long run change is GOOD!

The construction will be happening during the weekends in November. Therefore there will be NO special events or buddy day. Thank you to all the parents who came to the meeting October 30th to discuss these changes.

Extra! Extra! Read All About It!

With a heavy heart we regret that Sempai Paul will no longer be with us full time. He is leaving on the best of terms and will be always be a member of the NYKK family. Sempai will be helping us out hopefully once a month and/or as much as he can. Sempai Paul's last day was October 30, 2007. Sempai thanks everyone for all the warm wishes he received.

We now have Movie Birthday Parties for children 8 years and up.

You choose the movie, bring the kids and we do all the work. The kids will have a great time! For more

information, ask at the front desk or visit our website www.nykka.com
